- CPU – 1 GHz or greater (recommended)
- Memory – 1 GB or greater (recommended)
- Hard Disk Space – 900 MB minimum (required)
- Accessories – CD-ROM drive

\*System response time is dependent on the number of active users, the processor speed of the client and server hardware, the speed and traffic on the network, the size of the FTMaintenance database, and the complexity of the specific function being completed.

\*\* On-premise installations of FTMaintenance Mobile and FTMaintenance Service Request assume that the FTMaintenance SQL database and applicable application files will run on the same on-premise server.

FTMaintenance, FTMaintenance Mobile, and FTMaintenance Service Request are trademarks of FasTrak SoftWorks, Inc. Windows and SQL are registered trademarks of Microsoft Corporation. Other product names mentioned herein are used for identification purposes only and may be trademarks of their respective companies.
